

# Please pardon our appearance!

Thanks to a generous New York State Public Library Construction Grant, we are taking care of some needed work on the library property. You may have noticed the crumbling sidewalk between the library and the Moose Lodge, as well as the crumbling stair in front of the library and other areas of concrete that need attention. Within the next week or so, the work will be completed. We do apologize for the noise and disruption that this work is causing and ask for your patience as we take care of these needed safety issues.
